

Pineda Crossing Covenant Rules and Guidelines

Date: 7-23-2021

Revision Date: 8/17/2021

Revision Number: 2.0

The following Rules and Guidelines have been developed to assist in clarifying any ambiguity in the Pineda Crossing Covenants, and to state any additional rules that the HOA documents give the Architectural Control Review Committee (ARC) the right to include. **These guidelines do not replace or supersede the Pineda Crossing HOA governing documents in any way.** The Board of Directors may, from time to time, revise, amend, alter, or otherwise change these rules and guidelines per the authority given it in the Association's governing documents.

These rules and guidelines address architectural improvements and general ordinance for the community and are intended to enhance property values and sustain the high standards of development.

These Rules and Guidelines were approved at the August 17, 2021, board meeting and mailed to all homeowners on July 29, 2021.

Air Conditioning/Heating:

General air conditioner prohibition:

Window air conditioning units and through-the-wall air conditioning units/heating units are prohibited. Temporary variances to this prohibition may be granted on a "case-by-case" basis by the Board of Directors for unusual air conditioning outages such as a declared state of emergency.
